**BIBLE-A-MONTH PROJECT NOVEMBER: AZERBAIJAN**

**There is a shortage of Bibles in Azerbaijan. Many churches do not have enough Bibles for those in their congregations, let alone to give when they evangelise to their communities.** There are many new Christians who don't have their own Bible.

To help meet this need the Bible Society is providing churches with Bibles as well as helping to make Bibles affordable to buy. This enables Christians to have access to their own Bible, many for the first time. Bibles are provided in Azerbaijani and Russian, ensuring that as many people as possible can read a translation in their heart language.

- + Pray for the smooth delivery of Bibles into the country, especially at customs and checkpoints .
- + Pray for the safety of Bible Society staff and volunteers as they work to provide Bibles in Azerbaijan .
- + Pray that despite COVID-19 this project would continue to thrive and the Bible Society would be able to provide God's Word to those who seek it.

**BIBLE-A-MONTH PROJECT DECEMBER: KENYA**

**All school children in Kenya have a weekly religious education lesson.** The local church and Christian organisations are invited to come and teach children from the Bible. However, most do not have access to a copy of the Bible during the lessons and their families are too poor to buy a copy.

The Bible Society of Kenya is addressing this need by delivering Scriptures to children from disadvantaged backgrounds. They have been distributing Bibles for 5 years and have reached many children and their families. The children are able to read the Scriptures to their families, sharing God's Word with them.

- + Pray that Bibles will still be available so that children and youth will be reached with Scriptures, despite COVID-19 restrictions.
- + Pray for the positive transformation for those will be reached with the Word of God.
- + Pray for the Bible Society of Kenya as they adapt their projects to comply with COVID-19 restrictions
